

Every Toolbox Needs...

**WALTON™**

## Tap Extractors & Tap Extensions

*Performance professionals  
have depended on high-quality  
Walton tools since 1908.*

**Tap Extractors** will remove broken taps simply and safely, without drilling, lasers, damaged threads, scrapped parts or repair inserts. Available in every tap size, both inch and metric.

**Tap Extensions** will extend the reach of regular-length taps and allow tapping in deep holes and awkward locations. Square and round sockets conform to leading tap sizes, and these tools are suitable for both machine- and hand tapping.

*Available as sets or  
individual pieces.*

**WALTON™  
COMPANY**

*Tapping into good ideas for over 100 years*
