

Protect High Value Parts

TRU TEMP 30 minute process.

Smart option for in-house black oxide on iron steel components. Nothing like it. Safe, simple, 30-minute TRU TEMP process operates at 200°F and contains no pollutants. Non-dimensional finish is RoHS and Mil spec compliant.

Ideal choice for Job Shops of OEM manufacturers whose customers need quick delivery of high quality finished components at low cost.

Comprehensive Factory training and on going tech support to keep you finishing in the black. Call today for sample testing on your parts **952-937-7931**.
