

# HEMLY TOOL. YOUR CUTTING TOOL SPECIALISTS FOR OVER 30 YEARS

Three decades – that's a lot of time to develop strong relationships with customers like you and the top manufacturers of tools for the machining industry. Our combined insights into your production needs and the brands that we represent ensure that our sales specialists can connect you with high-quality products to meet your precision machining needs.

**We carry a wide array of the tools and products you need to succeed.**

- Carbide Inserts for milling, turning, grooving and threading applications
- Carbide End Mills for superior performance, whether its roughing or finishing
- Tool Cabinets to protect your investment in tools and keep you organized and productive
- Tool Holders to ensure accuracy for a wide range of machining operations
- Vises to work with everything from small milling machines to high-speed CNCs
- Drills & Taps to help you achieve the productivity and finish you need
- Precision Tools to help you meet and measure the demanding tolerances required of your final products
