

INDUSTRIAL TIMES

Serving The Midwest's Industrial Metalworking Community

Industrial Times was created to give a reliable and cost effective media to companies looking to advertise goods and services to the Metalworking Community. We have a database of app. 15,000 decision makers in the metalworking fields throughout MI, IN, IL, WI, OH. If you ever have a need to advertise, we would love to accommodate. We have developed a **FAIR PRICING GUARANTEE**, which basically means we don't dicker, our prices are extremely fair, but firm. You always get the best rate possible! We are developing our online presence, and invite you to go and check it out at www.industrialtimesinc.com. You will find one of the best auction calendars in the industry, updated daily, and again dedicated to metalworking auctions only. In the coming months we will be adding some exciting things to the website as well! Please contact us at any time with suggestions to improve our publication or website!
