# Industrial Rigging & Machinery Movers

We can not only move and place your machines, we can also handle all of the infrastructure and hookup work. Having every trade in-house not only reduces downtime between phases, it also allows for simple management of changes in project scope. In turn, your plant will get back up and running faster than using several subcontractors.

## Our Equipment Includes:

- A Fleet of Over 20 Semis
- Over 30 Semi Trailers
- Gantry Systems to 1100 Tons
- Mobile Crane - 75 Ton Capacity
- Tri-Lifter - 100 Ton Capacity

Allstate Saws & Machining, LLC

# Allstate Saws & Machining, LLC
