**Mazak Makino Haas Chevalier Akira Seiki**  
**— Supermax and Others —**

In 1987 High Performances Machine Tool Repair started the repair business. After 10 years in the repair field High Performance MTR starts to focus more on preventive maintenance of CNC machine tools. Today High Performance MTR is able to offer complete maintenance solutions for our customers machine shop equipment. Today we incorporate preventive inspections with repairs and calibrations to offer our customers complete confidence in their machine tools.
