

CLARK
ENGINEERING

**Your Source for custom
formed rod, wire, and tube
products since 1946**

Since 1946, Clark Engineering has been operating under this simple philosophy to provide our customers with world class quality, custom manufactured rod, wire forming, and tube products, along with on time delivery and competitive pricing.

We offer a wide variety of manufacturing options

- CNC Wire Forming
 - CNC Machining Centers
 - Cold Heading
 - Presses - Stamping
 - Poka-Yokes & Automation
 - Multi-Slide Machines
-
- Assembly
 - Production
 - Welding and more!

Have an issue getting a concept started?

*Our engineering staff is ready to help solve even the
most difficult applications.*

www.absolutemachine.com

Absolute Machine Tools provides advanced metalworking solutions and comprehensive services for production machining, mold/die machining, high-speed production turning and much more. Absolute has become a leading importer and distributor of high-performance CNC machine tools. For 25+ years we have been helping machine shops and manufacturing facilities improve their production processes to be more competitive in a tough global environment.

**Look no further! We offer exceptional value and performance along with
unsurpassed applications service and support!**

Our products include:

- 5-Axis Machining Centers
- Automation (Loading)
- Boring Mills
- Broaching Machines
- Chambering Machines
- Deep Hole Drilling Machines
- Defence Applications
- Double Column Machine Centers
- Drill / Tap Centers
- EDM
- Firearm Applications
- Flat Bed Turning Centers
- Hole Finishing
- Horizontal Turning Centers
- Horizontal Machining Centers

AND MUCH MORE!

Introducing **AH06/100**
**Horizontal Lathe for
Oil & Gas Industries**

AH06/100 is specifically designed and built to provide a direct replacement for popular heavy duty CNC turning centers manufactured in the 1980's. While current production large CNC turning centers may lack the power and rigidity of older machines, the AH series delivers that special level of performance that can't be found on other modern turning centers.

SLANT BED	Bar Capacity	Max. Cutting	Cutting Lengths
45° W/ 55° Cross Slide	6.05"	Ø35.4"	39"/59"/79" /118"/157"
