## ONLINE ADVERTISING

### Auctioneer Listing & Website Advertising:

The Auctioneer Listing provides users with a direct link to that specific auctioneers website as well as any upcoming auctions they have announced. The Online Auction Listing provides users with an extensive list of upcoming auctions.

Each listing is valued at \$60.

We have Side Ads and Banner Ads available as well.

Check website for specific prices.

200 x 130 pixels

910 x 200 pixels

## EMAIL MARKETING

### Dedicated Email Blasts

We offer email marketing to our exclusive client list in the form of dedicated email blasts. We can create an email blast for your company or have one provided to us to be sent out to our customers. We offer our customers as much control over the creative process as possible.

We send out two types of emails: Monthly and Weekly. At the beginning of each month we send out an email blast showcasing our latest issue and all of that particular month's auctions. Our weekly eblast showcases that particular weeks auctions.

An Email Blast to our contact list of 8,000 - \$600  
Special price for a 12 month contracted advertiser - \$475

## PUSH IT, PULL IT, MOVE IT...

For over 50 years, Versa Machinery has been producing Pinch Roll and Caterpillar Puller / Feeder assemblies in a variety of belt widths and traction lengths. The Puller / Feeders can be adapted and built into process machines that require product movement. Provide your own motor and drive package, or Versa Machinery can configure one for you. Save design time and money by using off-the-shelf Puller / Feeder assemblies.

# Reaching A Higher Standard of Excellence

## Kurt Manufacturing An Employee Owned Company

Kurt Manufacturing is a vertically integrated company dedicated to providing high quality customer solutions. As a national leader in the manufacturing of close tolerance parts and assemblies, we keep our customers competitive.

### We Specialize In:

- ▶ CNC Machining Services
- ▶ Custom Gearing Solutions
- ▶ Precision CNC Machining
- ▶ CNC Turning
- ▶ Turnkey Manufacturing
- ▶ Aluminum Die Casting
- ▶ NADCAP Services
- ▶ Complex Assembly including Clean Room

The KURT 360° Advantage represents our complete precision manufacturing product and service offering to a wide and diverse global marketplace

**CLARK**  
ENGINEERING

## Your Source for custom formed rod, wire, and tube products since 1946

Since 1946, Clark Engineering has been operating under this simple philosophy to provide our customers with world class quality, custom manufactured rod, wire forming, and tube products, along with on time delivery and competitive pricing.

### We offer a wide variety of manufacturing options

- CNC Wire Forming
- CNC Machining Centers
- Cold Heading
- Presses - Stamping
- Poka-Yokes & Automation
- Multi-Slide Machines
- Assembly
- Production
- Welding and more!

### Have an issue getting a concept started?

Our engineering staff is ready to help solve even the most difficult applications.

Absolute Machine Tools provides advanced metalworking solutions and comprehensive services for production machining, mold/die machining, high-speed production turning and much more. Absolute has become a leading importer and distributor of high-performance CNC machine tools. For 25+ years we have been helping machine shops and manufacturing facilities improve their production processes to be more competitive in a tough global environment.

Look no further! We offer exceptional value and performance along with unsurpassed applications service and support!

#### Our products include:

- 5-Axis Machining Centers
- Automation (Loading)
- Boring Mills
- Broaching Machines
- Chambering Machines
- Deep Hole Drilling Machines
- Defence Applications

- Double Column Machine
- Centers
- Drill / Tap Centers
- EDM

- Firearm Applications
- Flat Bed Turning Centers
- Hole Finishing
- Horizontal Turning Centers
- Horizontal Machining
- Centers

**AND MUCH MORE!**

Introducing AH06/100  
*Horizontal Lathe for Oil & Gas Industries*

AH06/100 is specifically designed and built to provide a direct replacement for popular heavy duty CNC turning centers manufactured in the 1980's. While current production large CNC turning centers may lack the power and rigidity of older machines, the AH series delivers that special level of performance that can't be found on other modern turning centers.

# L.K. MACHINERY, INC

Exceptional Performance at an Unexpected Price

Introducing the new **MillMaster 3000 series** from LK Machinery!

Ultra high speed CNC compact milling centers with bridge type one piece casting design which are ultra rigid with excellent positioning.

### CMC-3550P

Unmatched High Performance for  
Mass Production

This machine is the combination of a sturdy mold making structure with the high acceleration / deceleration features of a tapping center.

3.2 Second Pallet Change Time

The entire pallet change unit is anchored on the machine eliminating overhang. The center hole is in the middle of the pallet changer providing easy access to piping and wiring.

### CMC-3555

High Speed 5-Axis Simultaneous  
Machining

Used in production of complicated molds and dies for aerospace, medical equipment, optical-electronics, semi-conductor and all high precision industries, the CMC-3555 is the technology flagship model of LK and the machine with the best price-performance ratio.

The LK CMC-3555 is the ultimate solution for sophisticated parts machining. The integrated rotary / tilting table provides accuracy, stability and flexibility.

### CMC-3550

High Speed 5-Axis Simultaneous  
Machining

The Answers to All Aspects of 3-Axis Milling.

The LK CMC-3550 is designed for a universal approach to mold making and general processes requiring small to medium sized parts.

Features of Fixed Bed Structure

The load for all moving parts is consistent, providing high precision stability. The design of the machine allows for easy accessibility to the work table and wide flexibility of customization with fixtures or molds.

Midway Machinery | 616-608-7606

Ellis band saws are available in eight different models using blades from 1/2" to 1 1/4". Our most popular band saws are Model 1600 and Model 1800. The 1600 band saw is a good saw for all general sawing. This band saw can be easily moved to a different job site. If you are looking for a stationary band saw the 1800 band saw is a good option.

Standard features on all Ellis bands saws include:

- Band saw head moves left or right for angle cutting
- One-step conversion from horizontal saw to vertical saw on portable models
- Built-in protractor for fast and accurate selection of angles
- Stock remains in one position for all cuts
- Blade cleaning

**Model 1600**

- 10" Round at 90°
- 8" Pipe at 90°
- 11" Flat at 90°
- 6 7/8" Round at 45°
- 6" Pipe at 45°
- 7 1/4" Flat at 45°

\$2799

**Model 1800**

- 11" Round at 90°
- 10" Pipe at 90°
- 14" Flat at 90°
- 11" H x 10" W at 90°
- 9" Round at 45°
- 8" Pipe at 45°
- 9" Flat at 45°
- 11" H x 6" W at 45°

\$3199

**Model 4000**

- 13 1/2" Round at 90°
- 12" Pipe at 90°

**HEMLY TOOL. YOUR CUTTING TOOL SPECIALISTS FOR OVER 30 YEARS**

Three decades – that's a lot of time to develop strong relationships with customers like you and the top manufacturers of tools for the machining industry. Our combined insights into your production needs and the brands that we represent ensure that our sales specialists can connect you with high-quality products to meet your precision machining needs.

**We carry a wide array of the tools and products you need to succeed.**

- Carbide Inserts for milling, turning, grooving and threading applications
- Carbide End Mills for superior performance, whether its roughing or finishing
- Tool Cabinets to protect your investment in tools and keep you organized and productive
- Tool Holders to ensure accuracy for a wide range of machining operations
- Vises to work with everything from small milling machines to high-speed CNCs
- Drills & Taps to help you achieve the productivity and finish you need
- Precision Tools to help you meet and measure the demanding tolerances required of your final products

# INDUSTRIAL TIMES

Serving The Midwest's Industrial Metalworking Community

Industrial Times was created to give a reliable and cost effective media to companies looking to advertise goods and services to the Metalworking Community. We have a database of app. 28,000 decision makers in the metalworking fields throughout MI, IN, IL, WI, OH. If you ever have a need to advertise, we would love to accommodate. We have developed a FAIR PRICING GUARANTEE, which basically means we don't dicker, our prices are extremely fair, but firm. You always get the best rate possible! We are developing our online presence, and invite you to go and check it out at [www.industrialtimesinc.com](http://www.industrialtimesinc.com). You will find one of the best auction calendars in the industry, updated daily, and again dedicated to metalworking auctions only. In the coming months we will be adding some exciting things to the website as well! Please contact us at any time with suggestions to improve our publication or website!
